

Call for Poster Abstracts
TxSACT 4th Annual Conference
Recent Advances in the Development of Combinatorial Therapies for Cancer
June 10-11, 2015

How to Submit

Please send your abstract, **in the format requested below**, to Melissa Thompson (mst3@rice.edu) no later Monday, June 1st at 5:00 pm. Abstracts will be published EXACTLY as received; please be sure to follow the formatting instructions. It is critical that your abstract is received correctly and on-time so that abstracts may be evaluated for scientific merit and abstracts can be included in the conference abstract guide. All members of the community are encouraged to submit abstracts.

Instructions for Preparing Abstracts

1. The allotted space for an abstract is **one page** (8.5 x 11).
2. Please write your abstract following guidelines shown in the sample abstract. When you complete the abstract, save it in the name of the presenting author. (i.e. Smith_John_abstract.doc)
3. Abstracts should be submitted in Word.
4. Confirmation of receipt of abstract will be sent to the presenting author by e-mail.

Submission Deadline: Monday, June 1st at 5:00 pm.

SAMPLE ABSTRACT

Please Capitalize the First Letter of Each Word of the Title and Flush to the Left Margin, in Bold Letters. Start the Author's Name after Leaving a Single Line Space

Smith R^{1*}, Jones J^{2*}, and Anderson JE²

1. Department of Biology, DNA University, Houston, TX
2. Department of Biochemistry, University of Proteins, Houston, TX

*Authors contributed equally to this work.

Corresponding author: Smith R, Dept. of Biology, DNA University, Houston TX. Email: smith@agct.edu

The body of abstract should contain the study's objectives, methods, results, and conclusions. **The text** should be in English, typed with single line spacing, using 11pt. Times, Times New Roman, or Symbol font for α , β , μ , etc. **Black and white tables, illustrations and photographs** may be digitized and pasted within the space. **Underlining/Italic type** may be used to stress words or phrases.

Funding sources, particularly training grants should be acknowledged at the end of the abstract.
